Are you ready to think Fall or Spring?

We all like to make a fresh start to spring or finish the year with a clean look, and Heritage Landscape Design is here to help you. Whether you are maintaining your new landscape or refreshing your existing landscape, we have services to ensure that your investment is properly maintained.

- Pruning of shrubs, ornamental trees and interfering lower branches on trees, suckers at the base of trees, winter damage or browning of evergreens
- Leaf clean up, and removal of clippings and other debris in the landscape bed areas (turf areas upon request)
- Define edge along planting beds
- Pre-emergent herbicide and topdress mulching of planting beds
- Remove and re-design existing landscape area in yard (please contact me)
- Delivery Only** of shredded hardwood mulch (Quantity: _____ cubic yards; please specify location of where to dump the load _____)

If you want mulch delivered but are not yet sure of the date, just call us at a later time to have a delivery scheduled (please try to allow approximately 48 hours). There is a minimum delivery of 2 cubic yards.

Shredded Mulch prices per cubic yard for 2009 are: Hardwood - **\$30.00**; Cedar - **\$59.00**; Red - **\$37.00**.

A **\$20.00** delivery charge will apply to the immediate areas of Moline, E. Moline, Rock Island, Bettendorf, and Davenport; and **\$30.00** to outlying areas of the Quad Cities. To calculate the amount of mulch you need, each cubic yard covers about 200 square feet for topdressing, and 100 square feet if applying to an area that has not been previously mulched.

If we did your Spring Clean-up work last year and you basically want the same services done again this year, the price will be approximately (+/-) 10% of last year's cost. Please check (✓) below if you want Heritage Landscape Design to proceed, and we will put you on the schedule.

- Please proceed with areas indicated above and send me an invoice with above referenced cost
- Please follow up with an estimate for the areas indicated above
- Please call me for an appointment for some new or additional landscaping I want done in 2009

Please return this completed form in the enclosed envelope. You may also reply by email to jlouis@heritagelandscape.com or fax it to (309) 797-6564.
